Impacts of
MICROPLASTICS
in the
Urban Environment
Conference

**LUDWIG GLOBAL VILLAGE LIVING
LEARNING CENTER**

Rutgers, the State University of New Jersey
9 Suydam Street, New Brunswick, NJ 08901

THURSDAY, MARCH 28

8:00 a.m. - 8:00 p.m.

FRIDAY, MARCH 29

8:00 a.m. - 4:00 p.m.

Join researchers, industry leaders, and public regulators as they review the latest scientific findings on microplastic pollution and discuss potential plastic waste management strategies, alternative materials, regulatory issues, critical next steps and the collaborations needed to address this global emerging pollutant.
